47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a senior citizen on a limited income. I use Sonic as my internet provider and appreciate the affordability, reliability, and security provided by them. I also appreciate that in using Sonic I am supporting a local company that provides local, skilled jobs. I support broadband competition and am excited that you have the opportunity to do likewise.
